## REMARKS

On 10/5/16 at approximately 1659hrs Officer DiFonzo and I (Officer Wasilewski) were dispatched to an apartment building in Middletown for a reported domestic between mother and daughter. An infant was also reported to be in the apartment as well. The caller, hereby referred to as victim 1 (V1) stated she was being assaulted by her daughter. Upon our arrival we located the apartment and knocked on the door.

Officer DiFonzo located V1 in the bathroom located off of the main living room/bedroom area. V1 spoke to Officer DiFonzo separately as I spoke with S1. S1 explained to this Officer that her mother (V1) was being loud which got her angry. Her mother slammed the bathroom door which S1 believed was going to wake her 5 month old baby who was in the adjacent room. S1 then pushed the bathroom door open which caused the door to hit V1 in the left side of her face. S1 stated "I admit that I pushed the door open a little harder because I was mad, but I did not mean to hit her in the face."

Officer DiFonzo explained to this Officer (Officer Wasilewski) that V1 stated the left side of her face hurt slightly from being hit by the door. The incident began after a brief argument with her daughter. V1 went into the bathroom and shut the door. S1 got mad that she slammed the door so S1 pushed the door open causing it to hit V1 in the side of her face. In self defense, V1 then pushed S1 away. She used her hand and pushed S1's face away as S1 began to enter the bathroom. V1 stated she then locked the door and called 911.

I explained to S1 that although she was mad at her mother, if she had not pushed the door open the argument would not have escalated to the point where it became physical. Both parties stated they did not want the other arrested and declined to provide statements or allow us to take photographs. V1 had some redness to the left side of her face but no other apparent injuries. Both stated they were not hurt and declined medical attention.

S1 was issued a misdemeanor summons (MC 378495) for violation of CGS 53a-182. She was issued a court date of 10/6/16 at 0900hrs and told she would have to appear at the GA9 court house on that date and time. She stated she understood. Nothing further. S1 was also issued a Family Violence Conditions of Release with conditions CT01, CT03, & CT05 imposed. Additionally, conditions stating "Do not use or possess a dangerous weapon" and " Do not use or possess an intoxicant or controlled substance". were also imposed.

**REMARKS**

On 10/5/16 at approximately 1626 hours I responded to a residence in Middletown to investigate the report of a past domestic dispute between two sisters. Dispatch advised that a third party complainant, identified as , had called from out of town stating that she had been aware of a dispute between two sisters at the residence.

Upon arrival at the residence I spoke to a female who was later determined to be both a victim and an accused in the incident. She is hereinafter referred to as VA1. VA1 stated that she was the only one at the residence at this time. She stated that she resides there with her sister and parents. VA1 stated that earlier she and her sister began to argue over her ex boyfriend. VA1 stated that her sister accused her ex boyfriend of being inappropriate towards her in the past. VA1 stated that she was present during the incident in question which had happened several weeks ago in New Britain and that her boyfriend did nothing wrong. She stated that today she attempted to explain this to her sister who became irate.

VA1 stated that her sister charged at her in the hallway of their residence, grabbing her hair and screaming at her. She stated that she began to fight back against her sister and the two fell on the floor and rolled around pulling at and pushing each other. VA1 stated that her sister was on top of her and she kept trying to get her off but was unable to do so. VA1 stated that during the struggle she bit her sister on her cheek.

This caused her sister to let her go and the two separated. VA1 stated that her sister then left the residence and the fight ended. She stated that upon leaving her sister stated she was going to go to New Britain General Hospital to seek treatment.

At approximately 2007 hours VA2 returned to her residence and contacted police. I proceeded back to the residence and spoke with VA2. VA2 confirmed that she and her sister had been arguing about her sister's boyfriend who she knew only as " " VA2 stated that " " had been inappropriate towards her several weeks ago at a party in New Britain. She stated that she and VA1 argued about the incident and she became upset because VA1 was taking the side of her boyfriend of several months and not her sister that she had known her whole life. VA2 stated the argument escalated and VA1 charged at her in the hallway of their residence. She stated that the two began to pull each other's hair and roll around on the floor "tussling." VA2 stated that as they rolled around VA1 bit her on the right cheek causing a small cut. VA2 stated after the bite the fight stopped and she left the residence with her mother and went to New Britain Hospital because she knows several hospital employees there.

At the time of my second visit to the house both VA1 and VA2 were in the residence together and were calm and had been cordial with each other. Both stated that they did not have a place to go if they had to exit the house nor did either have a vehicle.

VA1 and VA2 were both issued misdemeanor summons for disorderly conduct (53a-182) in violation of the CT General Statutes. Due to the domestic nature of their incident they were issued a court date of 10/6/16 as well as a conditions of release.

**REMARKS**

On 10/04/16 at approximately 1130 hours I responded to a report of a fight near the intersection of Russell Street and South Front Street. Upon my arrival I was initially unable to locate any disturbance. Upon canvassing the area I located a female in the rear parking lot of an apartment building on the corner of the intersection. The female was screaming obscenities and had blood dripping down her face from a laceration above her eye. She was identified as Shacondra Perry. Officers attempted to speak to her to find out what had happened however she continued to yell obscenities and threaten lawsuits on police. Perry was screaming loudly and rambling, often times not making any sense. Perry was uncooperative and refusing medical treatment to the bleeding wound on her face.

I spoke to [redacted] who stated that he believes that Perry had smoked PCP which was why she was out of control. He stated that shortly before police arrived, he had been outside in the parking lot smoking a cigarette. Perry had come out of her apartment wielding two knives and threatened to attack another neighbor with whom she has argued with before. [redacted] stated that he used a plastic lawn chair to defend against Perry and the knives and to stop Perry from getting close to him and his neighbor. He was unsure what had caused injury to Perry's face.

[redacted] stated that he did not want to press charges against Perry.

I attempted to get Perry's side of the story however she continued to scream incoherently, and make threats toward \_\_\_\_\_ and police, threaten to burn down her apartment, and threaten to call friends to come and start a fight. While attempting to speak to Perry I could observe the wound on her head which was actively bleeding. I encouraged Perry to get medical attention for the injury but she refused and continued to yell threats. Additionally, Perry would ask me the same questions repeatedly and she did not seem to comprehend my simple responses. I continued to repeat my answers to her questions however we gained no ground.

Perry was advised numerous times by several officers that she needed to calm down and be quiet or it could result in her arrest. Again Perry did not seem to grasp the concept and continued to be belligerent and repetitive. Perry was placed under arrest and secured in the rear of my police cruiser.

Due to the facts surrounding this incident, I felt that Perry may have had some psychiatric disabilities and was a danger to herself and others. Perry was then transported to Middlesex Hospital by Hunter's Ambulance where I completed a Police Emergency Exam Request and issued Perry a Misdemeanor Summons for Breach of Peace. Perry has a pending court date of 10/19/16.

**REMARKS**

On 10-05-2016 Detective Dirga and I were traveling west on Hillside Avenue. Dirga observed a male who he knew from prior police interactions to be Paul Godet, who we were both aware had an outstanding warrant for violation of probation. Godet was walking east on Hillside Avenue on the south side of the road approaching Russell Court.

Godet began running as we turned our vehicle around. I began to chase him yelling, "Police, stop" several times. After a short foot chase, Godet was apprehended. After he was handcuffed and rolled over from the prone position I located what later tested positive for crack cocaine and molly (.4 grams combined weight). He was then transported to the Middletown Police Department for processing. During processing he admitted the narcotics belonged to him. Reference Middletown Police case number 16-24681 for further details regarding the foot chase and narcotic charges.

Godet was charged with 53a-32, violation of probation on UAR # 8873573. He was held on a \$7500.00 court set and given a court date of 10-6-2016 at GA-09 in Middletown.

Godet was walking east on Hillside Avenue on the south side of the road approaching Russell Court.

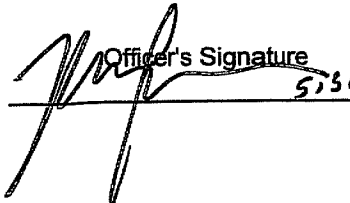

Godet began running as we turned our vehicle around. I began to chase, while repeatedly yelling, "Police, stop" loudly. Godet was eventually located behind a home on the north side of Hillside Avenue. After handcuffing Godet, Dirga asked him why he ran like that and Godet responded, "because I didn't want to go to jail". Godet was then rolled over which revealed a clear plastic bag containing a white, rock like substance under Godet's torso, next to his cell phone and charger. I was able to identify this white substance through my training and experience to be crack cocaine.

Godet was transported to the Middletown Police Department for processing. At the police department, Paul Godet was charged with 21a-279a possession of narcotics and 53a-167a interfering with an officer on UAR 8873572. He was given a court date of 10-6-2016 and held on a \$100,000.00 surety bond.

Godet would eventually admit the suspected crack cocaine was his. At the police department, it was weighed by Detective Dirga on a department scale for a total weight of .4 grams. It was also found there was Molly (MDMA) mixed in with the crack. Both were weighed together because they were discovered that way. The crack cocaine was tested by me using NARK kit #13 revealing a blue color indicating the presence of cocaine. The molly was tested by me using NARK kit # 32 revealing a yellow color indicating the presence of MDMA.

Godet's : showed prior convictions for two counts of possession of drugs/marijuana, violation of probation, possession of narcotics, risk of injury and possession with intent to sell.

**REMARKS**

On October 05, 2016 at approximately 2216 hours, Officer Murphy and I (Officer Stroud) were dispatched to (the Incident Location), a group home for troubled female adolescents, for a reported fight. While en route to that location, we were informed by dispatch that two clients were in a physical fight, and only two staff members were working. The staff was requesting that an ambulance stage to evaluate the involved parties. Upon arrival we saw a white female, who was later identified as Accused 1 (A1), an eighteen year old female.

Accused 1, a client at that location, stated she had been involved in a physical altercation with Juvenile/Arrest 1 (JA1), and that JA1 had also attacked another client, Juvenile/Arrest 2 (JA2). A1 would later admit that she had thrown a pair of scissors at JA1, and had also instigated JA1 verbally into an argument.

JA 1 said she had been in a physical confrontation with A1. JA2 said there had been in a physical confrontation between JA1 and A1, separate from her own physical confrontation with JA1.

Due to the results of my investigation, A1 and JA2 was arrested for the following violation of the Connecticut General Statutes:

### REMARKS

On 9/30/16 at approximately 1936 hours I responded to a motor vehicle accident in the area of Chamberlain Road and Chamberlain Hill Road. While en-route dispatch informed responding Officer's the vehicle stuck a telephone pole. Officer Puorro also responded.

Upon my arrival I observed a silver 2010 Toyota Corolla bearing CT reg 687XMY, off the roadway with extensive damage. The operator (Michele Maillet) was alert but still in the vehicle.

While speaking with Maillet I could detect the strong odor of an alcoholic beverage emanating from her person. Maillet speech was slurred and her eyes were glossy and bloodshot. I asked Maillet if she had been drinking. She stated she had not. I asked Maillet to exit her vehicle. While exiting her vehicle she needed to use the vehicle to hold herself up. EMTs from Hunter's Ambulance requested Maillet sign a medical refusal form. While attempting to sign the form she was swaying and I had to hold onto her right arm to keep her from falling.

Maillet failed the horizontal gaze nystagmus test. Then refused further testing.

I transported Maillet to Middletown Police Headquarters for processing. I advised her of her rights at 2041

hours. I read Maillet the implied consent advisory and afforded her an opportunity to call an attorney at 2044 hours.

Maillet refused to take a breath test.

Maillet was charged with 14-227a Driving under the influence on MSC # MC 330312 she was given a court date of 10/14/16 at GA09 in Middletown, she was released on a \$500 non-surety bond.
